

St. Paddy's Day - St. Baldrick's event

It's that time of year again. St Paddy's Day St. Baldrick's day events are shaving the way to conquer Kids cancer as thousands of brave volunteers shave their heads in solidarity with children who have cancer and typically lose their hair during treatment.

Each year more than 160,000 children worldwide are diagnosed with cancer. While advances have saved children, childhood cancer still claims the lives of more children in the US than other disease – more than diabetes, asthma, congenital anomalies, cystic fibrosis and AIDS combined!

Be brave and go bald, or support a brave shavee. Visit www.StBaldricks.org to volunteer, or search for you favorite shave!

Funds raised by the St. Baldricks foundation will be used to fund childhood cancer research – to help speed the day when every child with cancer will be guaranteed a healthy future. On behalf of all the children with cancer, thank you for your support of the St. Baldricks foundation.

1. **Mother Egan's – March 17, 2010**– Our band will be helping raise money while performing every three hours from noon till midnight. We'll have a shaving booth and we're counting on registered participants and walk-ins (\$ 50 donation, includes a shirt).

2. **Dell Children's Hospital - March 20, 2010** – Great opportunity to be with the kids that you're supporting. There will be a kids' fair with music, games, food, and shaving booths. Walk-ins welcome (\$50 donation, includes a shirt) but another great time to register and raise some money for this great cause.
