

Griffin

Thank you to the APA and it's members. Submitted 06-11-07

I would like to say thank you once again for everything you have done. Again, without the APA's support, things would have been far worse. If there are ever any services in the real estate business that I can assist with, please let me know. Arbitration starts on June 11th, which is not far away. Hope everything is going well, see you soon.
