

Thanks

To Whom It May Concern:

My husband and I would just like to thank Officer Russ Bowlin. I had a flat tire on Mopac at 11:30 at nite and officer Bowlin waited with me until my husband drove all the way from Dripping Springs to change my tire. Officer Bowlin then waited an additional hour while the spare was needing to be aired up and the tire was eventually changed.

Thank you for service,
Charles and Deborah
